Where Your Story becomes a Part of History

The Barn at Shagway offers a truly unique setting for your wedding—where history and nature come together. We're honored to share this special place where families and friends can gather to celebrate meaningful moments. Surrounded by the natural beauty of Hamlin Township, the property reflects a deep connection to the land and the stories that make it so special.

The barn was originally built in 1898 by homesteader Henry Shagway of the Ottawa Tribe. It carries a rich legacy that we're proud to preserve and share. Thoughtfully restored, the barn provides a one-of-a-kind backdrop for your big day—something truly memorable and unlike anywhere else. We're grateful to be part of your celebration and to offer a place where your story becomes part of this land's continuing legacy.

We couldn't have asked for a better venue for our wedding! The Shagway Barn is absolutely beautiful. It was the perfect setting and great to have everything all at one location. Anna and Jamie were so great to work with. They were always willing to help, easy to get ahold of, and made the whole planning process so much easier. You can tell they really care about the couples who get married there. We would recommend it to anyone looking for a beautiful venue with amazing owners!
